

## CHRISTA MARSHALL

Christa has been an enthusiastic and positive Cub Scout Leader, Leader in Charge and Webmaster with the Ascot Park Scout Group prior to joining the Branch Fellowship Team.

Christa has been a valued member of the Training Team in her role as a Personal Leader Adviser and worked alongside the Headquarters Marketing Department to plan, develop and execute the very successful Scouts SA Royal Show display. As part of this role Christa assists with preparing activities for the general public to enjoy and co-ordinates the volunteer staff roster to ensure the display is well staffed and functioning.

As part of the SA Contingent team for three Jamborees Christa focused on front of house responsibilities including the souvenir shop and other 'front facing' activities. Christa has attended numerous Cuborees with the most recent being Activity Leader at Revolution 2014.

A great communicator and a highly dedicated individual, Christa presents as one of the finest role models for Scouting in South Australia. Not only is she greatly respected for her knowledge but more importantly for the time she contributes and the hard work she puts in to supporting Scouting.
